

**MIHO FUJIWARA**  
*Curriculum Vitae*

Professor of Japanese  
Japanese and Chinese Department  
Willamette University

Work Address 900 State St. Salem, OR 97301  
Phone: (503)370-6015  
E-mail: mfujiwar@willamette.edu

**EDUCATION**

- 1995-2000     **Ph.D. in Linguistics**  
Georgetown University, Washington, DC  
Thesis title: *The acquisition of inflectional suffixes in Japanese adjectives*
- 1997            Linguistics Society of America Summer Institute  
Cornell University, Ithaca, New York
- 1993-1995     **Master of Science in Linguistics**  
Georgetown University, Washington, DC  
Thesis title: *Parameter-resetting of second language acquisition: Japanese reflexives*
- 1986-1991     **Bachelor of Education in English Language Education**  
Hiroshima University, Hiroshima, Japan  
Thesis title: *A study of the oral method: A development in its theory and practice*
- 1988-1989     Non-degree seeking exchange student studying English and Linguistics  
University of Michigan, Ann Arbor, Michigan  
Recipient of the highly competitive Mombusho Scholarship for studying abroad from the Japanese Ministry of Education

**AWARDS/GRANTS**

- 2018            Faculty Council Award (\$2000)
- 2017            Salem Kawagoe Sister City Grant (\$300)
- 2015-2019     Research Collaborator. Japan Ministry of Education, Culture, Sports, Science and Technology (MEXT) Science Research Grant. A study of use and awareness of Japanese and English as a lingua franca for development of common curricula. (PI: Mitsuko Yamura-Takei, Hiroshima Shudo University). \$30,000. 4/1/2015 to 3/31/2019 (4 years)
- 2013            LIASE Curriculum Development Grant (\$750)
- 2011            Hewlett Grants: (\$5500)
- 2010            Willamette University-Tokyo International University of America Curriculum Development Grant (\$1000)  
Hewlett Grants: (\$3000, \$7000)  
Center for Asian Studies (CAS) Curriculum Development Grant (\$4000)
- 2009            ASIANetwork Freeman Student-Faculty Research Fellowship (\$25,000)  
Jerry E. Hudson Award for Excellence in Teaching (\$1500)  
Professor of The Year  
Hewlett Grants (\$1000), (\$13,000 as a member of group recipient)
- 2008            Hewlett Grant (\$2000)

2006-2007	Atkinson Faculty Development Award, Willamette University (\$2500)
2005	Hewlett Grant (as a member of group recipient) (\$8000)
2004	Faculty Achievement Award, Willamette University (\$2000)
2004-2005	Atkinson Faculty Development Award, Willamette University (\$2500)
2004	Cheng & Tsui Professional Development Award for Teachers of Japanese (\$500)
2004, 2003	Willamette University-Tokyo International University of America Curriculum Development Grant (\$1000 & \$500)
2000	Pacific Association for Computational Linguistics Conference Best Paper Award
2000-2001	Mellon Foundation Faculty Development Grant (Teaching with Technology Fellowship)
1999-2000	Georgetown University Graduate School Assistantship Award
1998-1999	Georgetown University Scholarship
1997-1998	Georgetown University Fellowship
1988-1989	Mombusho Scholarship, Japanese Ministry of Education

## PUBLICATIONS

### Book Articles

[Peer Reviewed]

- Fujiwara, Miho and Mitsuko Yamura-Takei. 2010. *Conjunctions and ZERO anaphora use: an experiment and discussion from a perspective of coherence. Linguistics and Japanese Education VI*, ed. by Minamai, Masahiko. 103-121. Tokyo: Kuroshio Shuppan.  
接続表現の使用とゼロ代名詞容認度：一貫性の観点からの実験と考察『言語学と日本語教育 VI』
- Fukazawa, Haruka and Miho Fujiwara. 2010. The role of indirect negative evidence and paradigm uniformity in L1 acquisition of two types of Japanese adjectives. *Proceedings of the Tenth Tokyo Conference on Psycholinguistics*. ed. by Yukio Otsu. 93-116. Tokyo: Hituzi Syobo.
- Yamura-Takei, Mitsuko and Miho Fujiwara. 2007. Japanese native speakers' intuition of zero use: An account by centering theory. *Applying Theory and Research to Learning Japanese as a Foreign Language*, ed. by Minami, Masahiko. 213-239. Cambridge Scholars Publishing.
- Fujiwara, Miho and Mitsuko Yamura-Takei. 2005. Cohesion by zero anaphora and reading difficulty: Types and distributions of zeros. *Linguistics and Japanese Education IV*, ed. by Minamai, Masahiko. 163-174. Tokyo: Kuroshio Shuppan.  
ゼロ代名詞による結束性と読解難易度：その種類と分布状況の観点から『言語学と日本語教育 IV』
- Fujiwara, Miho and Mitsuko Yamura-Takei. 2004. Linguistics theories and their applications to teaching zeros: A development of Zero Checker. *Linguistics and Japanese Education III – New Directions in Japanese*, ed. by Minami, Masahiko and Makiko Asano. 325-342. Tokyo: Kuroshio Shuppan.

## PRESENTATIONS

[Refereed]

- Analysis of the use of *kana* and *kane* in contact situations. Presented at the Canadian Association of Japanese Language Education (CAJLE) Annual Conference 2018, August 21-22, 2018, London, ON, Canada.
- A comparison of interrogative expressions in native and contact situations. Presented at the American Association of Teachers of Japanese (AATJ) 2018 Annual Spring Conference, March 22, 2018, Washington, DC.
- Learning from misuse of “Seizei”: A necessity of explicit presentation of co-occurring sentence structure in teaching “Seizei.” Presented at the Canadian Association of Japanese Language Education (CAJLE) Annual Conference 2017, August 16-17, 2017, Calgary, AB, Canada.
- A report on the service-learning project for the Japanese language learners at an American university. Presented at the Canadian Association of Japanese Language Education (CAJLE) Annual Conference 2016, August 17-18, 2016, Niagara Falls, ON, Canada.
- Analysis on the second verb (V<sub>2</sub>) shared in both syntactic and lexical compound verbs in Japanese. Presented at the Canadian Association of Japanese Language Education (CAJLE) Annual Conference 2016, August 20-21, 2015, Vancouver BC, Canada.
- Teaching compound verbs in the accidental learning environment. Presented at the American Association of Teachers of Japanese (AATJ) 2015 Annual Spring Conference, March 26, 2015, Chicago, IL.

- *A way to present a Japanese compounding verb –dasu to learners of Japanese.* Presented at the Canadian Association of Japanese Language Education (CAJLE) Annual Conference 2014, August 20-21, 2014, Montreal, Canada.

- *The role of reactive tokens in storytelling as feedback for lexical choices in subsequent storytelling.* Poster presentation with Mitsuko Yamura-Takei, Etsuko Yoshida, Fumio Watanabe at the Applied Linguistics Association of Australia (AILA) World Congress 2014, August 10-15, 2014, Brisbane, Australia.

- *Influence of Japanese language proficiency on the use of compound verbs in learners' written narratives.* Presented at the American Association of Teachers of Japanese (AATJ) 2014 Annual Spring Conference, March 27, 2014, Philadelphia, PA.

- *Written narratives by intermediate and advanced Japanese language learners: differences between narratives with high and low evaluations.* Presented at the Canadian Association of Japanese Language Education (CAJLE) Annual Conference 2013, August 22-24, 2013, Toronto, Canada.

- *US-Japan academic collaborations: Asian Studies and Environmental Studies.* Presented at the 21<sup>st</sup> Annual ASIANetwork Conference 2013, April 12-14, 2013, Nashville, TN.

- *Measuring proficiency in L2 Japanese learner's written narratives: The case of native English speakers' use of verbs.* Presented at the American Association of Teachers of Japanese (AATJ) 2013 Annual Spring Conference, March 21, 2013, San Diego, CA.

- *A comparative study of zero anaphora use between non-native and native Japanese writing narratives.* Presented with Mitsuko Takei at the American Association of Teachers of Japanese 2012 Annual Spring Conference, March 15, 2012, Toronto, Canada.

- *On the use of zero anaphora and wa in Japanese written narratives: a comparative study of native speakers and learners of Japanese.* Presented with Mitsuaki Shimojo at the Canadian Association for Japanese Language Education Conference 2012, August 2-3, 2012, Banff, Canada.

- *Teaching cohesive devices in context.* Presented at the Association of Teachers of Japanese (ATJ) Conference, April 2, 2011, Honolulu, HI.

- *How do learners of Japanese process Japanese adjectival inflections?: Indirect negative evidence and optimality theoretic account.* Presented with Haruka Fukazawa at the Seventh Biennial International Conference on Practical Linguistics of Japanese (ICPLJ7), March 5-6, 2011, San Francisco, CA.

*Entity coherence in comparable learner corpora: Seeking pedagogical insights.* Presented with Mitsuko Yamura-Takei and Etsuko Yoshida at the 24th Pacific Asia Conference on Language, Information and Computation (PACLIC 24), November 4, 2010, Sendai, Japan.

• *Japanese-English comparison of sentential anaphoric expressions in a comparable corpora: language characteristics and learners' tendencies.* コンパラブルコーパスにおける文類照応の指示表現の日英比較：言語別特徴と学習者傾向. Presented with Mitsuko Yamura-Takei at the 50th Annual National Conference of Japan Association for Language Education & Technology (LET), August 3-5, 2010, Yokohama, Japan.

• *Japanese language learners' use of event anaphora in written discourse.* Presented with Mitsuko Yamura-Takei at the Asian Studies on the Pacific Coast (ASPAC) 2010 Conference, June 18-20, 2010, Portland, OR.

• *How do learners of Japanese process Japanese adjectival inflections?: Closed-class nature of i-adjective and the dual-mechanism model of morphology.* Presented at the Association of Teachers of Japanese (ATJ) Conference, March 25, 2010, Philadelphia, PA.

• *Comparative analysis of sentential anaphoric expression in a Japanese-English comparable corpora.* 日米コンパラブルコーパスにおける文類照応の指示表現の比較分析. Presented (in Japanese) with Mitsuko Yamura-Takei and Etsuko Yoshida at the 16th Annual Meeting of Association for Natural Language Processing (NLP), March 9-11, 2010, Tokyo, Japan.

• *Comparable local learner corpora: Raising discourse awareness.* Presented with Mitsuko Yamura-Takei and Etsuko Yoshida at the 12<sup>th</sup> Conference of the Pacific Associations for Computational Linguistics (PACLING 2009), September 1-4, 2009, Sapporo, Japan.

• *Creating an EFL-JFL comparable learner's: from a perspective of raising a meta-language consciousness at discourse level.* 日米 EFL-JFL 教育環境の連帯によるコンパラブル学習者コーパスの構築：談話レベルのメタ言語意識促進の視点から Presented with Mitsuko Yamura-Takei at the 49th Annual National Conference of Japan Association for Language Education & Technology (LET), August 4-6, 2009, Kobe, Japan.

• *Creating and using a comparable corpus for developing a meta-linguistics ability at discourse level.* 談話レベルのメタ言語能力育成のためのコンパラブルコーパスの構築と活用 Presented with Mitsuko Yamura-Takei and Etsuko Yoshida at the 15th Annual Meeting of Association for Natural Language Processing (in Japanese), March 3-5, 2009, Tottori, Japan.

• *The role of indirect negative evidence and paradigm uniformity in L1 acquisition of two types of Japanese adjectives.* Presented with Haruka Fukazawa at the Tenth Tokyo Conference on Psycholinguistics (TCP), March 13-14, 2009, Tokyo, Japan.

• *An Optimality Theoretic account of the difference between L1 and L2 acquisition: Evidence from two classes of Japanese adjectives.* To be presented with Haruka Fukazawa at the 7th Annual Hawaii International Conference on Arts & Humanities (HICAH) , January 9-12, 2009, Honolulu, Hawaii

- *On what basis do Japanese native speakers use zero anaphora? : A theoretical and an empirical account using Centering theory.* Presented with Mitsuko Yamura-Takei at the American Association for Applied Linguistics (AAAL) 2008 Conference, March 29-April 1, 2008, Washington, DC.
- *Conjunctions, zero anaphora and discourse coherence.* Presented with Mitsuko Yamura-Takei at the Sixth Biennial International Conference on Practical Linguistics of Japanese (ICPLJ6), March 1-2, 2008, San Francisco, CA.
- *Zero anaphora in Japanese and native speaker's intuition: Analysis by Centering theory.* 日本語の省略と母語話者の直感：センタリング理論による検証. Presented with Mitsuko Yamura-Takei at the 13th Annual Meeting of Association for Natural Language Processing (ANLP)(in Japanese), March 20-22, 2007, Seta, Japan.
- *Difficulties faced by Japanese immersion students in traditional foreign language classrooms at the undergraduate level: A preliminary study.* Presented with Brooke Ivy at the 2007 Association of Teachers of Japanese (ATJ) Seminar, March 22, 2007, Boston, MA.
- *The role of morphology in the acquisition of two classes of Japanese adjectives among L2 learners of Japanese.* Presented at the 2007 Hawaii International Conference on Arts and Humanities (HICAH), January 12-15, 2007, Honolulu, HI.
- *Centering theory and zero arguments in Japanese: A result from a corpus analysis and a survey on human intuition.* Presented with Mitsuko Yamura-Takei and Teruaki Aizawa at the 12th Annual Meeting of Association for Natural Language Processing (ANLP)(in Japanese), March 14-16, 2006, Yokohama, Japan.
- *Japanese native speaker's intuition of Zero use: An account by Centering Theory.* Presented with Mitsuko Yamura-Takei at the Fifth International Conference on Practical Linguistics of Japanese (ICPLJ5), March 4-5, 2006, San Francisco, CA.
- *Diversity of zeros in Japanese discourse: A corpus analysis and a tool for language teachers.* Presented with Mitsuko Yamura-Takei and Teruaki Aizawa at the Pacific Association Computational Linguistic (PACLING) 05, August 24-27, 2005, Tokyo, JAPAN.
- *Instructing reading comprehension for advanced learners of Japanese language; zero anaphora and topic continuity.* Presented with Mitsuko Yamura-Takei at the Georgetown University Round Table on Language and Linguistics (GURT) 2005, March 10-13, 2005, Washington, DC.
- *Teaching materials as corpus: analyses and tools for language teachers.* Poster presentation in Japanese with Mitsuko Yamura-Takei and Teruaki Aizawa at the 11<sup>th</sup> Annual Natural Language Processing (NLP) 2005, March 14-18, Kagawa, JAPAN.

- Choosing a default form: A comparison between adults and children.* Presented at American Association of Applied Linguistics (AAAL) Annual Conference, May 1-4, 2004, Portland OR.
- Zero anaphora analyses to access reading difficulty in Japanese text.* Presented with Mitsuko Yamura-Takei at the 4<sup>th</sup> Biennial International Conference on Practical Linguistics of Japanese (ICPLJ), April 3-4, 2004, San Francisco, CA.
- Understanding cohesion in Japanese text: Zero anaphora as invisible cohesive ties.* Presented with Mitsuko Yamura-Takei at the Association of Teachers of Japanese (ATJ) Seminar 2004, March 24, 2004, San Diego, CA.
- Joint learning activities for university-level Japanese and American students.* Presented with Linda Heuser, Julie Varga and Harumi Naruse at the 26<sup>th</sup> Annual Conference for Oregon Teachers of English to Speakers of Other Languages (OTESOL), November 7, 2003, Portland, OR.
- Zero pronouns in JSL reading: The case of zero adnominals.* Presented with Mitsuko Yamura-Takei at the Canadian Association of Japanese Language Education (CAJLE) 2003, August 21-24, 2003, Calgary, CANADA.
- Zero Detector: A teaching/learning aid for zeros and coherence in Japanese.* Presented with Mitsuko Yamura-Takei at the 8<sup>th</sup> Conference of Pa-Pacific Association of Applied Linguistics (PAAL), August 4-5, 2003, Okayama, JAPAN.
- Assessing the difficulty of Japanese reading materials: A zero pronoun perspective.* Presented with Mitsuko Yamura-Takei at the Association of Teachers of Japanese (ATJ) Seminar 2003, March 27, 2003, New York, NY.
- Automatic linguistic analysis for language teachers: the case of zeros.* Presented with Mitsuko Yamura-Takei, Makoto Yoshie and Teruaki Aizawa at the 19<sup>th</sup> International Conference on Computational Linguistics (COLING), August 26-30, 2002, Taipei, TAIWAN.
- Zero Checker: A CALL program for reading and writing Japanese.* Presented with Mitsuko Yamura-Takei at the 3<sup>rd</sup> International Conference of Computer Assisted System for Teaching and Learning Japanese (CASTL/J), July 11-14, 2002, San Diego, CA.
- Zero Checker: A CALL program that enhances comprehension and writing skills for Japanese zero anaphora.* Presented with Mitsuko Yamura-Takei at the Association of Teachers of Japanese (ATJ) Seminar 2002, April 4, 2002, Washington, DC.
- Analysis of Japanese zero anaphora and its application to a CALL program: Zero Checker.* Presented with Mitsuko Yamura-Takei at the 3<sup>rd</sup> Biennial International Conference on Practical Linguistics of Japanese (ICPLJ), March 22-23, 2002, San Francisco, CA.

•*Centering as an anaphora generation algorithm: A language learning aid perspective.* Presented with Yamura Mitsuko-Takei and Teruaki Aizawa at the 6<sup>th</sup> Natural Language Processing Pacific Rim Symposium (NLPRS), November 27-29, 2001, Tokyo, JAPAN.

•*Resolving and generating zero anaphora in Japanese: A language learning aid perspective.* Presented with Yamura Mitsuko-Takei and Teruaki Aizawa at the Pacific Association Computational Linguistic Conference (PACLING) 01, September 11-14, 2001, Kitakyushu, JAPAN.

•*The role of morphology in the acquisition of two classes of Japanese adjectives.* Poster presentation at the Chicago Linguistic Society (CLS) 37, April 20-22, 2001, Chicago, IL.

•*A role of morphology in classifying Japanese adjective.* Presented at the Associations of Teachers of Japanese (ATJ) Seminar 2001, March 22, 2001, Chicago, IL.

•*Acquisition of default suffix: Japanese adjectivals.* Accepted by the Generative Approaches to Language Acquisition (GALA), 1999, Potsdam, GERMANY.

•*The computation of default suffixation in Japanese adjectival past tense formation.* Poster presentation with Michael Ullman at the 12<sup>th</sup> Annual CUNY Conference on Human Sentence Processing, March 19-21, 1999, New York, NY.

•*Acquisition of a default inflectional suffix: Japanese adjectivals.* Presented at the 23<sup>rd</sup> Annual Penn Linguistics Colloquium, February 27-28, 1999, Philadelphia, PA.

•*Testing the output hypothesis: the effects of output on noticing and second language acquisition.* Presented with Martha Bigelow, Sarah Fearnow and Shinichi Izumi at the Second Language Research Forum (SLRF), October 1997, East Lansing, MI.

[Non-Refereed] • *Folklore in language learning and study abroad.* Presented at the Western States Folklore Society (WSFS) Annual Meeting, April 16-17, 2010, Salem, OR.

•*Acquisition of a default inflectional suffix: Japanese adjectives.* Invited paper presentation at the University of Maryland psycholinguistics lab study group, 1999, College Park, MD.

•*Testing the output hypothesis: the effects of output on noticing and second language acquisition.* Presented with Martha Bigelow, Sarah Fearnow and Shinichi Izumi at the Georgetown University Colloquium on Second Language Acquisition, 1996, Washington, DC.

## TEACHING EXPERIENCE

**Willamette University**, Salem, OR

2012-present	Professor, Department of Japanese and Chinese
2006-2012	Associate Professor, Department of Japanese and Chinese
2000-2006	Assistant Professor, Department of Japanese and Chinese

[Courses taught]	IDS101	College Colloquium
	IDS155	Introduction to Linguistics
	IDS334	Field Studies: Environmental Studies and Sustainability in Japan
	JAPN201W	Modern Japanese Society and Culture
	JAPN240	Japanese Language and Culture
	JAPN331	Third Year Japanese I
	JAPN332	Third Year Japanese II
	JAPN430	Japanese Reading and Comprehension I
	JAPN431	Japanese Reading and Comprehension II
	JAPN432	Conversational Japanese I
	JAPN434	Conversational Japanese II
	JAPN490	Reading and Conference (Independent Study)
	JAPN491	Reading and Conference (Independent Study)
	JAPN499W	Senior Seminar in Japanese Studies

2015 **Tokyo International University of America**, Salem, OR  
 (summer) ELAS335 Introduction to Linguistics (05/07/09/10/14/15/16/17)

**Tokyo International University**, Kawagoe, Japan  
 2008, 2011 Cross cultural communication between Japan and the US  
 2012 (summer) Cultural traits and communication styles  
 2006 (summer) People and Community in Japan, Japanese Society and World

#### **SERVICE (selected list)**

**Willamette University** (chair, committee member)  
 2017-2018 Member, Committee for Faculty Development  
 2016-2017 Member, TIU-TIUA Relations Committee  
 2014-2016 Chair, Faculty Council (Elected)  
 2006-2013 Chair, Department of Japanese and Chinese  
 2011-presnet Luce Initiative on Asian Studies and Environment (LIASE) project team  
 2004-2011 Kaneko Common Faculty Associate  
 2009-2011 Faculty Council (Elected)  
 2010-2011 Liberal Arts Research Collaborative (LARC) committee  
 2009-2010 TIUA Director of Academic Program search committee  
 2008-2009 Chinese Search committee  
 2007 (Fall) Chair, Asian Studies program  
 2005-2009 Undergraduates Awards and Grants committee  
 Chair (2006-2007)  
 2005-2006 Russian sabbatical replacement search committee  
 2001-2005 TIU-TIUA Relations committee, Chair (2002-2003)

**Willamette University** (student-related)  
 2015 Hosting Japanese/Japanese Studies Senior Summit on campus  
 (Inviting Lewis& Clark, Linfield, Pacific) (2011)  
 2014-present Advisor for Sanshin Club  
 2012-present Advisor for the Howard Street Charter School Japanese Language After School  
 Program  
 2010-present Advisor for Taiko Club  
 2007-present Advisor for Japan Studies Student Leaders (JSSL)  
 2011-2012 Supervisor for a Center for Asian Studies grant recipient (Jonathan Harwell)

2010-2011	Supervisor for a Carson grant recipient (Micah Mizukami)
2009-2010	Supervisor for a Carson grant recipient (Kenneth Hendricks)
2009	Supervisor for Japanese Speech Toyama Cup participants (2007, 2004, 2003, 2002, 2001)
