The ICL Board Meeting was called to order at 7:03 pm.

The meeting was called in order to determine if class should be held tomorrow, January 18, 2024, due to inclement weather and its effects, including icy and wet conditions both driving and walking.

Dee indicated that the coffee and snacks scheduled for tomorrow's first day of spring term have already been canceled and rescheduled for Tuesday, January 23. Brenda reported that she has been in contact with the class presenters for tomorrow and they are willing to reschedule. After a brief discussion on safety, it was moved (Brenda) and seconded (Priscilla) that class be canceled on Thursday, January 18, 2024. Motion carried. Joan asked that Dave notify the membership. Other board members indicated that they would contact certain members who do not have ready computer access so that they get the message.

The meeting was adjourned at 7:11 pm.

Next Meeting: February 8, 2024, 1:00 pm, via Zoom.

Respectfully submitted,
Chris Duval, Secretary
