

# IMMUNIZATION HEALTH HISTORY INFORMATION

Please complete the Health History form front and back and mail or fax to:

**Bishop Wellness Center  
Willamette University  
900 State Street  
Salem, Oregon 97301  
Phone: (503) 370-6062 Fax: (503) 375-5420**

In accordance with the Oregon State Health Division, Administrative Rule 333-19-080, documentation of two doses of measles vaccine (rubeola) is **required** of all entering students who are attending Willamette University half-time or more.

## REQUIRED

1. **TWO Rubeola** (Red Measles) immunizations after 12 months of age if you were born on or after January 1, 1957. Students can be considered immune to measles only if:
  - a. They were born before 1957 (these people are assumed to have had measles)
  - b. They have physician documentation of immunization with two doses of measles vaccine at least 30 days apart, on or after their 1<sup>st</sup> birthday.
  - c. Physician diagnosed measles, or
  - d. Blood test showing evidence of immunity.
2. **Rubella** (German Measles) after one year of age.
3. **Mumps** after one year of age.

Most often MMR (Measles, Mumps, and Rubella) was given as a combination immunization at 15 months of age or later.

The Registrar's office will be notified of students who are not in compliance with the Oregon State Health Division requirements. **Registration to attend classes will not be allowed for students who fail to complete their health requirements.**

Students can discuss the immunization requirements with personnel at the Bishop Wellness Center. If immunizations are not up to date, the student can receive them at the Bishop Wellness Center, the County Health Department, or their own physician's office.

**You must fill out the Health History Form to meet this requirement.**

## IMMUNIZATION EXEMPTION

You may be considered exempt of the immunization requirement if one or more of the following apply:

- a. You were born before January 1, 1957
- b. You adhere to a religion that is opposed to immunizations
- c. There is a medical reason that prohibits you from being immunized

If you are seeking to be exempted from the immunization requirement, on the back side of the health history form you will find the AGE, MEDICAL, RELIGIOUS EXEMPTION verification box. Please check which exemption you are seeking and provide the proper signature.

## RECOMMENDED IMMUNIZATIONS

- A. Diphtheria/Tetanus (Booster dose within last 10 years)
- B. Polio
- C. Hepatitis A Series (two doses)
- D. Hepatitis B Series (three doses)
- E. Meningococcal- Menactra (one dose)
- F. Varicella (chicken pox)
- G. Rubella (German/3 day Measles: 1 dose)
- H. Mumps (one dose)

## TUBERCULOSIS (TB) SCREENING FOR ALL STUDENTS BORN IN HIGH INCIDENT COUNTRIES

Students from low-incidence countries, as designated by the Oregon State Health Division, are **not** required to have TB screening.

### **Low-incidence countries per Oregon State Health Division:**

Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Great Britain, Greece, Ireland, Italy, Luxembourg, Netherlands, New Zealand, Norway, Portugal, Spain, Sweden, and Switzerland

**Students born outside the above countries** are at higher risk of being infected with tuberculosis. **Tuberculosis skin testing is required for those students born outside the low-incidence countries.** Any student who has a history of a previous positive TB test should **not** be retested; these students need to have a chest x-ray. The student will need to bring a copy of the x-ray report or physician documentation of treatment for TB.

**Students should complete the Tuberculosis Screening Documentation Form if they were born in a high incident country and submit to the Bishop Wellness Center.**
