2015-2016 FEDERAL DIRECT PARENT PLUS LOAN PROGRAM
LOAN INFORMATION AND PROCESSING PROCEDURES

The Federal Direct Parent PLUS Loan is a non-need-based loan which has a fixed interest rate of at least 7.21% (rate TBD by July 1, 2015) for the 15-16 academic year. As the parent of a dependent undergraduate student, you may borrow up to your student’s cost of attendance as calculated by our office less any financial aid your student has been awarded. A fee of at least 4.292% (rate TBD by July 1, 2015) will be deducted from the loan amount before the loan is released to pay your student’s tuition and fees. Your student must be enrolled full time (3 credits as an undergraduate student) and meet all other federal eligibility requirements to qualify for this loan. Loan proceeds will not be available until your student begins enrollment at Willamette University. If you have questions or need more information about the request process, any of the information requested and/or the amount you’re eligible to borrow, please contact our office.

Before we can consider your request for a Federal Direct PLUS Loan, your dependent student must have filed a 2015-2016 Free Application for Federal Student Aid (FAFSA). The FAFSA can be filed online at www.fafsa.ed.gov. Be sure to list Willamette University (Federal School Code 003227) as one of the schools to receive the FAFSA results.
