In accordance with the Oregon State Health Division, Administrative Rule 333-19-080, documentation of two doses of measles vaccine (rubeola) is **required** of all entering students who are attending Willamette University half-time or more.

REQUIRED

1. **TWO Rubeola** (Hard Measles) immunizations after 12 months of age if you were born on or after January 1, 1957. Students can be considered immune to measles only if:
 - a. They were born before 1957 (these people are assumed to have had measles)
 - b. They have physician documentation of immunization with two doses of measles vaccine at least 24 days apart, on or after their 1st birthday.
 - c. Physician diagnosed measles, or
 - d. Blood test showing evidence of immunity.
2. **Rubella** (German Measles) after one year of age.
3. **Mumps** after one year of age.

Most often MMR (Measles, Mumps, and Rubella) was given as a combination immunization at 15 months of age or later.

The Registrar's office will be notified of students who are not in compliance with the Oregon State Health Division requirements. **Registration to attend classes will not be allowed for students who fail to complete their health requirements.**

Students can discuss the immunization requirements with personnel at the Bishop Wellness Center. If immunizations are not up to date, the student can receive them at the Bishop Wellness Center, the County Health Department, or their own physician's office.

You must fill out the Health History Form to meet this requirement.

IMMUNIZATION EXEMPTION

You may be considered exempt of the immunization requirement if one or more of the following apply:

- a. You were born before January 1, 1957
- b. There is a nonmedical vaccine or religious exemption:
 - Talk with your health care provider and get a Vaccine Education Certificate (attach certificate to Health History Form)
 - Watch an online education module (For College Students: College Measles Module) and print a Vaccine Education Certificate (attach certificate to Health History Form)
- c. There is a medical reason that prohibits you from being immunized

If you are seeking to be exempted from the immunization requirement, on the back side of the health history form you will find the AGE, NONMEDICAL / RELIGIOUS OR MEDICAL EXEMPTION verification box. Please check which exemption you are seeking and provide the proper signature or documentation.
