2.10 FIREARMS/WEAPONS POLICY
Willamette University has a zero tolerance policy regarding firearms and weapons on campus. Firearms and other types of weapons are not allowed on University property, in University vehicles, or at any University-sponsored event off-campus.

This policy prohibits the possession, use or threatened use of firearms, ammunition, explosives, or other objects as weapons. Persons who possess a concealed-weapons permit are NOT allowed to carry weapons on the private property of Willamette University’s campus. Possessing a weapon for the purpose of sport, hunting, personal protection, or any benign reason will not exempt a person from this policy.

Anyone who observes or has knowledge of someone on the Willamette University campus violating this policy should immediately report the incident to the Campus Safety office by dialing extension 6911. The complainant should be prepared to provide the Campus Safety office with any relevant information that caused them to observe or suspect the violation.

Campus Safety officers have the right to confiscate weapons from persons in violation of this policy. These weapons will be secured in the Campus Safety office while a thorough investigation of the incident is conducted.

Failure to adhere to the University’s firearms/weapons policy or failure to cooperate in an investigation is grounds for disciplinary action, which, depending on the circumstances, may include termination of employment.
