

Institute for Continued Learning Digest

Vol. 173, August 28, 2023

31

The Annual ICL Welcome Picnic is CANCELED due to weather predictions of rain and cold. The picnic was scheduled for this Thursday (8/31/2023) but is not going to happen. Instead we will start the opening day coffee social a little earlier at **9:00 AM** on **September 7th**. 'Hope to see you there!

The ICL Board Meetings: The board decided to have board meetings on the 2nd Thursday of each month during fall semester starting at 1:00 PM in Kaneko. The next meeting will be **September 14, 2023**.

The September Class Schedule is posted online!

[Class Schedule Fall 2023](#) (Currently, only September is posted) | [Google Calendar](#) (full semester schedule) | [WUICL Schedule Reports](#) (Google Sheet; full schedule): Note the tabs at the bottom showing different fields and format of the schedule data.

Hang on to your Compass Cards!

Returning members will not be issued new Compass Cards this year. Please hang on to your WU student ID cards. Cards issued last Fall 2022 do not have an expiration date on them and will be valid for use this coming academic year. New members will be issued new cards at the beginning of the semester, but may be issued guest cards temporarily while Campus Security waits for the delivery of the blank cards.

ICL DVD Library: Managed by [Wayne Wallace](#)

ICL has a [DVD library](#), mostly from [The Great Courses](#). Wayne will not be able to attend all classes in the Fall. Most days he will bring a selection of about 6 DVDs to loan out. The Great Courses are 20 to 60 minute lectures, ranging from just a few hours to 18 hours or more. A wide variety of subjects are available, ranging from somewhat recent to more than 20 years ago.

Members who still have DVDs out, please return them during the first couple days of classes. Leave them at the front for GwenEllyn or someone to lock away until Wayne can collect them.

Membership Directory: Done! They will be handed out on the 1st day of classes (Sept. 7th). The final version is posted on the ICL website under [More about ICL](#), in the [Member Area \(Password Protected\)](#). *New members were given the username and password at orientation.* Scroll down to the "2023-2024 MEMBERSHIP DIRECTORY" button.

To Download PDF: After opening the PDF, click on the download button in the upper right.

Please do not share the directory with people outside of ICL as it does contain confidential information.

[CaringBridge for Jeanette Flaming](#)

CaringBridge, because no one should go through a health journey alone.

Jeanette is getting good care from Willamette Valley Hospice, also known as [Willamette Vital Health](#). The family is very happy with their care and services. She has been spending time with family visitors. She tires easily and would love to do more - like come to the ICL picnic - but may not have the energy. Cards and emails are welcome. Jeanette has a beautiful yard with many beautiful flowers. There's really no need to send flowers purchased from florist shops. A new ICL member and Master Gardener has volunteered to help out with the outdoor plants at the Flaming home. Thank you, Ann!

Bruce is currently at [Boone Ridge Senior Living Community](#) (next to Costco) and would appreciate visits from friends and family. The best times to connect with him are at lunch (11 am) and afternoons (12:30-3:30pm). **Boone Ridge Assisted Living:** 2950 Boone Rd SE, Room 316, Salem, OR 97306

If you plan to visit Bruce, please go to CaringBridge and on [Ways to Help](#) and then **Visit Planner** to see when he's available and "accept" a "visit request" to let others know your intended date and time.

For updates and to leave a messages, use [CaringBridge](#). You may need to create an account to leave a message but should be able to see messages without an account. Updates on Bruce will also be posted to CaringBridge.

Dates to remember:

- **Tuesday lunches: Tuesdays at 11:30 AM at Taproot at the Mill** at Willamette Heritage Center - until classes resume.
- **Friday Virtual Happy Hours** on [Zoom](#) at **4:30 PM**. BYOB
