## Tech Talk: Tomorrow, September 12th at 1:00 PM

**You are welcome to bring your devices to get logged onto the campus WiFi and follow along during the presentation.** Note: You should already have a Willamette Network account as explained in the email that went out yesterday. [You can still do this from home if you haven't already.](#)

Topics covered include logging onto WiFi, navigating the ICL and Willamette websites, accessing the Member Area and membership directory, finding the ICL Class Schedule in 3 places, mining information from the class presentation database, how to submit a presentation suggestion, finding recordings of past presentations, and much more! Something for everyone - even if you have been to Tech Talks in the past.

---

**New Member Bios** are now all available from the Member Area on the ICL website.

This area of the website is password protected as it contains members' personal information. If you're not sure how to get there, be sure to come to class tomorrow afternoon for the **Tech Talk**.

Membership Co-Director, Don Beckman says "We encourage everyone to read these bios. We have an interesting and accomplished group of newcomers again this year."

## Invitation! Betsy Belshaw's 90th Birthday Celebration

**Monday, September 18, 2023 | 3pm - 5pm | Pringle Park Community Hall (606 Church St SE, Salem)**

Join Betsy and her friends to share refreshments and say thank you for all of the years of generous volunteerism with the Chemeketans, Park Foundation, the Red Cross, and the Institute of Continued Learning. *No gifts but bring lots of "Betsy Stories" to share.*

 **The ICL Wine Club** meets on the third Monday of each month at 4:30pm. There is no requirement to know anything about wines. When we were on Zoom we'd all buy the same wine and were guided through the "tasting" - color, smell, taste. Lately, we've been bringing a different bottle of the same varietal (Syrah, for example) and doing blind tastings. Fun! If learning about wines or getting to know ICL classmates better interests you - and you like wine, this is for you. Join us! Next meeting: Monday, 9/18. Contact [Dave MacMillan](#) to get details or to get on the mailing list.
