Vol. 180, October 16, 2023

**Correction:** Roger Hull's name was misspelled in last week's newsletter. It has been corrected in the [Archives](#). New: [Obituary in the Statesman Journal](#)

**More sad news: Jeanette Flaming died on October 11, 2023.**

Jeanette was a member of ICL for over 23 years - since September 2000. During that time she was the presenter of over 30 presentations and sponsor of over 90 presentations, most of them Great Decisions, America's Global Affairs Discussion Program. She was less than a month shy of her 87th birthday. Jeanete will certainly be missed.
