WILLAMETTE UNIVERSITY

REUNION WEEKEND 2009

September 18–20 • Salem, Oregon
It’s time to take a walk down memory lane and join your classmates at your alma mater for Reunion Weekend 2009! Whether you’ve been gone for 10 years or 60, this is a great opportunity to reconnect with the Willamette you remember and celebrate the ways in which we’ve all grown.

Loyal Bearcats will converge on Willamette’s campus September 18–20 donned in cardinal and gold and sharing memories of their time as students. Join us and be a part of this wonderful annual event celebrating the role Willamette has played in our lives, friendships and successes!

This year’s reunion will be the biggest and best ever. The weekend is packed, starting with the traditional class celebrations on Friday evening and continuing into a Saturday filled with a wide range of activities. These include the family-friendly Quadfest BBQ and carnival, Cheers to Willamette (an event celebrating alumni vintners), a timely career workshop and campus tours. We’ll top off the night with the Celebrate Willamette! dinner, featuring a delicious meal, alumni awards and lively entertainment.

I hope sincerely that you join us this year. Reunion Weekend is designed with you in mind and we look forward to sharing the excitement of Willamette with you once again. Come reconnect with classmates and rekindle the memories that made your Willamette experience such a significant part of your life.

The Cardinal and Gold…are Green!
Reunion Weekend is one of the largest recurring events held at Willamette. Because of this, it’s important to us that reunion activities support Willamette’s focus on sustainability. We have chosen once again to weave sustainable practices and products (this brochure for instance) into our programming.

- All Reunion Weekend events have been offset with clean energy green-tags from the Bonneville Environmental Foundation.
- Sustainably produced foods were selected for reunion receptions.
- Trees are planted throughout Oregon in recognition of alumni citation recipients.
- Online registration is being encouraged to help reduce paper consumption.
