

FINANCIAL GUARANTEE STATEMENT

The United States government requires all international applicants to provide proof of ability to pay educational costs and living expenses before a formal letter of admission and the forms needed for obtaining a student visa can be issued. Therefore, it is critical that you complete this form, answering every question, and provide the required supporting documents to verify the information listed on the form. An original and official verification letter is required to match each separate source of funding you list below. Verification of funds from private (individual) sources and/or government or agency scholarships must be in the form of a bank letter. If you will receive financial support from a sponsor living in the U.S., the sponsor must submit the Form I-134, Affidavit of Support, which is available upon request from the Willamette University Office of Admission.
