

ANTH 351: INDIGENOUS PEOPLES, HUMAN RIGHTS, AND THE ENVIRONMENT
Learning Community Brainstorming

Name of scribe:

Names of group members:

Discuss the individual projects you have done so far in college that have had the most positive impact on your learning. How were they structured? What research did you do? What kinds of final projects did you produce?

Discuss the group projects you have done so far in college that have had the most positive impact on your learning. How were they structured? How often did they meet? What kinds of work did you do together? What kinds of products and presentations did you develop?

What would you like to do in this course in a learning community, based on this conversation?
