

Anatomy Peer Tutor Application

Name: _____

Submit this application to Amy Schwartz (Collins 202) or to Dr. Ettinger (Collins 406).

What is your time commitment? From the description of our weekly schedule, is this time commitment something that you can accommodate in your schedule?

As a peer tutor you are required to perform human cadaver dissections. Initially, you will be trained by a returning TA. What would you bring to the dissection experience?

What activities do you participate in on campus?

- Extracurricular
- Sports
- Jobs
- Volunteering
- Other:

How do you change the way you teach to students that are struggling and “don’t get it” the first time around?

What would you do if you made a mistake while teaching?

How would you deal with complaints from students about other TAs making a mistake in teaching?

What do you expect to get out of this experience? What are you most looking forward to?
