ICL **Tuesday** Summer Lunches! Taproot Old Mill Café (1313 Mill Street SE) at 11:30 AM

Missing your friends at ICL yet? A longtime tradition at ICL is meeting in the summer months for lunch once a week on Tuesdays. Before Covid we met in Goudy as it was open in the summers to feed students attending band camps and the like. But Goudy has not been an option for 4 years. Last year we met at **Taproot Old Mill Cafe** (across the street from TIUA and Kaneko). They weren't open on Tuesdays, so we met on Thursdays. However, Taproot has expanded their hours, and is now open on Tuesdays.

'Hope to see you tomorrow at 11:30 am! All are welcome! Look for us inside and outside. Here's the [menu](#).

The first production of Theatre 33's 2024 New Play Summer Festival.

A middle-aged man, struggling to become a parent, finds himself haunted by the spirit of his dead mother, creating even more distance in his already faltering marriage. APE is a play about ghosts, those who have died, those who never existed, and consciousness that lies inside of consciousness. The play explores the effect of memory on our essential sense of being and ultimately asks how it is possible to truly exist in the present moment? [Theatre 33 website](#)
