

### Past Member Updates:

- Bruce and Jeanette Flaming's daughter, has asked that we share Bruce's phone number. *See email sent this morning.* She would like to encourage ICL visitors. His children are in Hood River and Montana so he welcomes Salem visitors.
- Hardin King's daughter wants ICL members to know that they are organizing a Celebration of Life for Hardin on Saturday, **August 24**, from 1-4 pm at **Unity Spiritual Community of Central Oregon, Bend, OR**. It's located on the north side of Bend, Oregon. They will have a **Zoom** option for those who cannot attend physically. They plan to include space for folks to share a memory or short story about Hardin towards the end of the service. "Popcorn style" - whoever raises their hand in attendance or on Zoom. "It's a gift to the family and those attending to hear the shared stories. It deepens our connection about dad learning things we didn't know before."

There will be finger foods & snacks after the celebration to mingle and share our memories.

***If you didn't see the email about both of these in your inbox this morning, check your Spam or Junk mailbox.***

### Volunteers Needed!

**Membership Services** is seeking 24 volunteers to serve as "Social Contacts" for each of our 24 new members who will be joining us in the fall. "Social Contact" volunteers will be asked to do the following:

- **Contact** new members who are assigned to you, during the summer.
- **Meet** them in person or virtually to get to know them, before the start of classes in the fall.
- **Offer** to sit with them on the first few days of classes, and help them with lunch plans that may include others in the class, whether it is to bring their lunches or eat in Goudy or at Taproot.
- **Introduce them** to other members during class breaks or lunches.
- **Follow up** with them during the first term and bring any suggestions to the attention of the Membership Services Co-Directors.

It is our hope that this new "Social Contacts" program will have the enthusiastic support of current members, who will warmly welcome new members to ICL. If you are interested in serving as a Social Contact for a new member, please contact Don Beckman ( [dbeckman@willamette.edu](mailto:dbeckman@willamette.edu) ) or Chris Duval ( [cduval@willamette.edu](mailto:cduval@willamette.edu) ) ASAP. *Thanks!*

### Theatre 33 at Willamette University: Home to Oregon and Northwest Playwrights

**Theatre 33** continues throughout the summer with their [Summer Festival 2024](#). APE by Dano Madden was the first of 6 new plays presented in Theatre 33' 2024 New Play Summer Festival in June, July, and early August.

**Theatre 33**, in residence at Willamette University, is a new play development company that helps Oregon/NW playwrights develop their new scripts from our 60-hour rehearsed workshop production (fully designed lights, sound, props, set, costumes, entirely blocked with scripts in hand), to a world premiere full production. We are Oregon-centric, as evidenced by our name. Oregon was the 33rd state to join the union.
