

New Members Online!

20 of the 24 new members have been added to the Membership Directory that is online in the password protected area. You can get there by going to [More about ICL](#), scroll down to the "Members" heading, then click on the first line below that: "Members Area". Enter the username and password (provided to new members at orientation).

New Member Bios online!

The first two batches of new member bios have been posted to the ICL website - also in the "Members Area (password protected)". [More about ICL](#) → Members → Members Area (password protected)..

ICL Member Contact Information Updates:

"Thank you!" to all who have replied to the email asking for confirmation or updates to your contact information. If you haven't replied to the email with the subject "ICL Contact Info Update - Please read and reply", sent on June 19th, please do. If you don't see it in your Inbox, please check your Spam/Junk folder. We just want to make sure that we have your correct contact information for the printed and online Membership Directories.

Addition to the website: [Year Calendar for 2024-2025](#)

It shows important dates during the year along with social events: picnic, year-end lunches, coffees, etc. You can find it under [More about ICL](#) and under the **Board** heading.

Fall 2024 Schedule

Our Curriculum Committee has been diligently working since before the end of the Spring semester to curate engaging and educational presentations to fill the Fall schedule. Beginning with September the Fall lineup is taking shape. Each month is usually posted online the month before; so the September schedule will be posted in early August.

However, the schedule "database" is available soon after the committee confirms a presentation and marks it as complete. For a preview of upcoming presentations, please refer to the [WUICL Schedule Reports](#) (and don't forget to check the tabs at the bottom for additional details). Check back as more presentations are added to the schedule.

Volunteers Needed!

Membership Services is still seeking volunteers to serve as "Social Contacts" for each of our 24 new members who will be joining us in the fall. "Social Contact" volunteers will be asked to do the following:

- **Contact** new members who are assigned to you, during the summer.
- **Meet** them in person or virtually to get to know them, before the start of classes in the fall.
- **Offer** to sit with them on the first few days of classes, and help them with lunch plans that may include others in the class, whether it is to bring their lunches or eat in Goudy or at Taproot.
- **Introduce them** to other members during class breaks or lunches.
- **Follow up** with them during the first term and bring any suggestions to the attention of the Membership Services Co-Directors.

It is our hope that this new "Social Contacts" program will have the enthusiastic support of current members, who will warmly welcome new members to ICL. If you are interested in serving as a Social Contact for a new member, please contact Don Beckman (dbeckman@willamette.edu) or Chris Duval (cduval@willamette.edu) ASAP. *Thanks!*

Theatre 33 presents: GROW LEARN PLAY by Sara Jean Accuardi
