

Jurisprudence first assignments:

## **Jurisprudence Assignments**

Bridgeman, Spring 2022

Note: Read the entire week's assignments ahead of time when possible. It will give us more flexibility in class. When it's not possible, prioritize them in the order listed.

### **Week 1:**

Day 1:

Bix: Chapter 2 (skim if you want, or read closely)

H.L.A. Hart, The Concept of Law, Chapters 1 and 2

These two chapters are available on-line for free here, though this is the most important single work of legal philosophy ever if you want to buy your own copy:
