

## **Secured Transactions – Professor Fiegenbaum**

Monday / Wednesday 9:10-10:40am

### LAW 337 First 2 Weeks Assignment Schedule (Spring 2022)

Welcome to Secured Transactions! I am excited to meet you all soon.

The readings are taken from Sepinuck and Bruce, PROBLEMS AND MATERIALS ON SECURED TRANSACTIONS (5<sup>th</sup> ed., 2021). Please go over the problems covered in the readings and apply the UCC provisions referred to in the problems.

For your first assignment, please email me a short biography (3-4 sentences) and facts you would like to share in the next few days.

I'll go first: My hometown is Tel Aviv, Israel. I have lived in the following states: Illinois, Michigan, New York, and most recently, Massachusetts. I am an avid college football fan but after a very intense 4 months I am very grateful for the long offseason. I enjoy outdoor activities with my family (wife, two boys – 4 & 9, and a dog) and really hope the weather will clear up soon.
