LOGISTICS:

Welcome back! We meet on Mondays and Wednesdays from 10:50-11:50 a.m.

CLASS PARTICIPATION:

We will be moving through the assigned problems, starting on the first day. Please be ready to go, commercial law never sleeps.

BOOKS:

Required Text: Lewis and Monserud, Sales, Cases and Problems.

ASSIGNMENTS:

Assignments for the semester are set out on the following pages. Adjustments may be required as the semester progresses. This is the first year that I am using this casebook—we will uncover its joys and flaws together. I can assure you that it's better than the previous two books I have used.

The cases are not going to be our classroom focus, unless otherwise mentioned below. The cases can enhance understanding of the UCC in certain instances. The UCC itself will be our focus, and **we will discuss the problems in class. Prepare accordingly.**
