

Module #1: Precision in Rule-Based Reasoning

ALA2 Fall 2021

Note: "prior to next class" means no later than 9 am on the date of your next ALA2 meeting

Date	Topic	In-class plan	Assignment(s) to complete after class
8/23	Intro to ALA, Precision in Rules	Reset and Restart: Emote, look at bar exam, TTT, start Good Samaritan (if time)	Read syllabus before Class 1 Read Good Samaritan and drop an accountability document to WISE before Class 2 identifying key rule words to analyze (NAME ON DOC!)
8/25	Critical Thinking	Discussion of Good Samaritan – issue spotting and possible building of T-Table – facts versus rules	Nothing to turn in, but keep thinking about where this analysis is going –start on draft
8/30	Rule-Based Reasoning	Build the T-Table together	Complete draft and turn in before next class to WISE (with NAME). Bring a hard copy and 4 colors of highlighters with you to class
9/1	Peer Editing	Reading buddy – highlight a peer’s draft per instructions. <u>PUT YOUR NAME ON IT.</u> Discussion.	<ol style="list-style-type: none"> 1) Scan and upload the marked up version of your draft with your peer’s marks and your own. 2) Submit your final version before next class.
9/6	LABOR DAY	NO CLASS	Read Principles to Facts – be prepared to discuss questions during next class
9/8	Rinse and Repeat	Discussion of Principles to Facts – issue spotting and possible building of T-Table – facts versus rules... rule...	Nothing to turn in, but keep thinking about where this analysis is going –start on draft
