

Library Catalog

To find books, journals and many electronic resources available at the law library and Hatfield Library, search the library catalog from the search box on the library website.

<https://willamette.edu/law/longlib>

If you do not find what you need, we can assist you with your search.

Summit & Interlibrary Loan

http://www.willamette.edu/law/longlib/access-policies/interlibrary_loan

If a book or video/dvd is not available on campus, you may request a loan from one of the 36 regional Summit libraries.

Search the Summit catalog by clicking on the Summit/WorldCat link on the law library's webpage. Summit loans checkout for six weeks with no renewals.

You also have the option of requesting an interlibrary loan for books or journal articles that are not available on campus or through Summit. Detailed information and the request form are available online.

Due Dates

Most books in the law library check out for a semester and can be extended according to your needs.

Due dates for Hatfield, Summit and Interlibrary Loan materials are not as flexible and must be honored. You may view, renew and track items you have checked out from the law library or the Hatfield Library from our webpage. Click on "Access Your Circulation Account."

Book & Document Delivery

Holds may be placed on most items on campus. Materials placed on hold can be delivered directly to your faculty mailbox and you will be notified of their arrival.

Journal articles, Summit requests and interlibrary loans may also be delivered to your mailbox. Just ask the Reference Team!

Purchase Requests

To recommend purchases for the library collection, contact Ann Kitchel. Cost, long-term value to the law collection, and relevancy to your scholarship are some of the factors considered when evaluating purchase recommendations.
