## EDITOR'S NOTE

The Editorial Team is proud to present the third issue of the WILLAMETTE UNIVERSITY ENVIRONMENTAL LAW JOURNAL. I want to thank the authors, subscribers, and editorial staff members for their patience, dedication, and passion to bring global environmental scholarship to the forefront of the legal stage. Nested within the beautiful Pacific Northwest, we appreciate the important contribution of the following works as our Editorial Board believes they are relevant to present day environmental law concerns. We hope that our readers find this issue a valuable legal resource.
