WILLAMETTE ENVIRONMENTAL LAW JOURNAL

VOLUME 6

SPRING 2017

EDITOR'S NOTE

The Editorial Team is proud to present the sixth issue of the WILLAMETTE UNIVERSITY ENVIRONMENTAL LAW JOURNAL. I want to thank authors Shannon Prince and Jared Siegel for allowing the Journal to play host to such thought-provoking, globally-minded articles. I also want to thank the editorial staff members for their interest in and commitment to the Journal over (at least) the past year. As was true of Volume 5, this issue has been a true team effort. We hope that our readers find this issue a valuable legal resource.
