Financial Aid for Non-Willamette Overseas Studies Programs

Students choosing to study abroad through a school other than Willamette University may be eligible to receive the following funds:

- Pell Grants
- Federal Stafford Loans
- Oregon Opportunity Grant
- PLUS Loans

Students are only eligible to receive these funds if the college or university offering the program has been approved by the Department of Education as eligible to participate in Federal Student Aid (Title IV) programs.

In addition, each applicant must complete the *Request for Preliminary Approval of Credits to be Earned through Foreign Study* form with the Willamette Registrar's office before the financial aid can be approved. This form is attached.

To use your financial aid in a non-Willamette program, you must submit the attached *Application for Financial Aid for Non-Willamette Programs* to the Office of Financial Aid. *

After completing the *Application for Financial Aid for Non-Willamette Programs*, and the *Request for Preliminary Approval of Credits to be Earned through Foreign Study*, please return each form to the appropriate office. Forms will not be accepted until they are complete.

* It is important that you make arrangements with the Business Office regarding disbursement procedures for Federal Stafford Loan and/or PLUS Loan funds.
