## **CROSS-REGISTRATION POLICIES**

- A. Students enrolled full-time at the home Alliance institution may be eligible to take a maximum of one undergraduate course per term at another Alliance campus. The course must be transferrable to the student's home institution.
- B. No additional tuition will be charged for the cross-registered course by either institution, except that:
  - a. if the home institution has an "overload" tuition policy, it may charge additional tuition if the course is taken on an "overload" basis, or
  - b. the host campus may charge special course fees (e.g. laboratory fees), if such fees apply to all students enrolled in the course.
- C. Students may not cross-register for a course that is offered on their own campus unless legitimate scheduling conflicts prevent taking it.
- D. Approval of both the home and host campus registrars is mandatory.
- E. Cross-registered students are permitted on a "space available" basis. The host campus has the right to ensure that all of its own students have had an opportunity to enroll before accepting cross-registrants. Further, institutions have the right to exclude cross-registration in certain programs.
- F. Students are bound by host campus policies on such matters as auditing, class attendance, grading and add/drop procedures, deadlines, library use, standards of conduct, examinations, parking regulations, etc.
- G. Students wishing to drop or withdraw from a cross-registration course must have approval of both home and host campus registrars and complete all appropriate forms, particularly at the host campus.
- H. Exceptions to these policies must have approval of both campus registrars.
