## **Alliance Cross-Registration Form: Vaccination Requirement**

*\*Please return to the Registrar's Office your Alliance Undergraduate Cross-Registration Form.\**

Willamette University joins a growing list of colleges across the country that are requiring all students, faculty, and staff to be fully vaccinated against COVID-19. This vaccination requirement applies to all students attending Willamette, including full-time and part-time students, undergraduate and graduate students, domestic and international, residential and non-residential students, and those in both degree and non-degree granting programs. Cross-registrants are expected to be fully vaccinated prior to their arrival on campus. "Fully vaccinated" means that two weeks have passed since you have received all necessary doses of the vaccine you were given. **Cross-Registrants are also required to receive a COVID booster shot by August 1, 2022.**

Please enter the dates of your COVID vaccine(s):

PLEASE INITIAL: \_\_\_\_\_ I agree to comply with any masking and distancing requirements.

### **Request for Exemptions:**

\*Please note that Cross-Registration Forms will be **held for review** upon the request for a medical or religious exemption. If approved, the cross-registrant will be registered for the desired course(s).

\_\_\_\_ Medical: Students who are requesting a Medical Exemption for the COVID-19 vaccine will need to submit a letter or document from their doctor indicating why they are unable to receive the vaccine.

\_\_\_\_ Religious: I attest that the required Covid-19 vaccine is in conflict with my own firmly held religious beliefs. I am aware that if an outbreak occurs on campus, I may be excluded from campus.

*\*For religious exemption, please proceed to the back of the form\**

Cross-Registrants who have neither been fully vaccinated nor received an exemption by the time they plan to attend classes for the semester may not attend class or campus activities, and may be subject to registration holds, or other requirements or restrictions to support community health.
