

Willamette University - COVID-19 Response

COVID-19 Objectives

Our process will be driven by several key values:

- Prioritize health and safety by following all guidelines from the public health experts at Oregon Health Authority
- Preserve the mission of the university by making data informed decisions.
- Communicate with our campus community clearly and quickly

WORKING GROUPS distributed across campus, will meet individually as needed, and as a group every Wednesday.

Decision Making Process:

- Questions from the working groups will be brought to and discussed at the Wednesday Working Group Meetings
- Unresolved operational questions from the Wednesday Working Group meetings will be directed to the Thursday ROC and reported back as needed
- Unresolved questions from the Thursday ROC meetings will be directed to the Monday Executive Steering Committee and report back as needed.
