Hello everyone!

Welcome to our first newsletter of the year! The purpose of this newsletter is to give you a chance to learn more about the chapter and what we have been doing. We have several new board members and are excited for the rest of this semester. We have had two very successful events and are planning more throughout the year.

This chapter is supported by both the state and local SHRM chapters. We have had the opportunity to collaborate with both through events and volunteer opportunities. We are always looking for more ways to get involved and would love to hear your ideas on events or potential opportunities.

A preview of our upcoming events will inform you of the opportunities to participate in some great networking opportunities. These are great ways to engage with recruiters and network with potential prospects, regardless of what your area of interest is. We hope to see you all there!

SHRM membership is open to all students and is only \$35. It provides several benefits such as access to SHRM's website for professional articles and access to networking events such as the Salem SHRM Board's monthly breakfast meetings.
