### “SONG OF WILLAMETTE”

Text compiled from the Freshman Glee archives and the Alma Mater. Music by Dylan Librande '16. Ending adapted from “Ode to Willamette” by F.S. Mendenhall

*Hail to our dear Willamette, to the card'nal and the gold.*  
*Glory to our Alma Mater blest with memories untold.*  
*Your teaching in the years to come will guide in all we do,*  
*and to your praise we'll always sing, for we're Willamette too.*

*There are those who've gone before us, still more to carry on.*  
*Year by year we add new voices to swell our mighty song.*  
*Hopes and fears through out the year we'll never face alone,*  
*for old Willamette we will hear you calling us back home.*

*So hail, our dear Willamette! Hail the card'nal and the gold!*  
*Glory to our Alma Mater blest with memories untold! Sing, oh,*  
*sing of dear Willamette, sing while hearts are young and true,*  
*sea to sea the chorus swelling. Hail to thee, Willamette U!*

### “THE ROAD HOME”

Music by Stephen Paulus, lyrics by Michael Dennis Browne

*Tell me, where is the road I can call my own,*  
*That I left, that I lost, So long ago?*  
*All these years I have wandered, Oh, when will I know*  
*There's a way, there's a road, that will lead me home?*

*After wind, after rain, When the dark is done.*  
*As I wake from a dream In the gold of day,*  
*Through the air there's a calling From far away,*  
*There's a voice I can hear, that will lead me home.*

*Rise up, follow me, Come away, is the call,*  
*With the love in your heart As the only song;*  
*There is no such beauty As where you belong:*  
*Rise up, follow me, I will lead you home.*

## Academic Regalia

The style of academic regalia most commonly worn in the United States dates back to colonial times, although it was not formally adopted until near the end of the 19th century, when it was chosen as appropriate attire by the Intercollegiate Commission. It has remained the general standard in America since, although some variations occur at individual institutions.

### THE GOWN

The gown has become symbolic of the democracy of scholarship, because it covers any dress of rank or social standing. In the United States, black is the traditional color for academic gowns, although some institutions allow holders of doctoral degrees to wear robes in the university's colors. Gowns have pointed sleeves for the bachelor's degree, long closed sleeves with a slit in the arm or wrist for the master's degree, and full bell double sleeves for the doctor's degree. Bachelor's and master's degree gowns have no trimming. For the doctor's degree, the gown is often faced down the front with velvet, with

three bars of velvet across the sleeves usually in black or of a color distinctive of the faculty or discipline to which the degree pertains.

### THE CAP

When Roman law freed a slave, it accorded the privilege of wearing a cap. And so the academic cap is a sign of freedom of scholarship and the responsibility and dignity with which scholarship endows the wearer. The cap of scholarship is square to symbolize the book. The color of the tassel denotes the discipline.

### THE HOOD

The hood is trimmed with one or more chevrons of a secondary color on the ground of the primary color of the college. The color facing of the hood denotes the discipline represented by the degree; the color of the lining designates the university or college from which the degree was granted.
